

# PLAYER'S CREED

## TEAM OVERVIEW

Our goal this season is to field a competitive team. Above our league play commitments, we will be entering into tournaments. By its very nature the REP program is competitive. As a result, we will be stressing individual technical development, team play and conditioning.

## PLAYER RULES/EXPECTATIONS

- 1) I understand that criticism of teammates will not be tolerated.
- 2) I will be ready to start practice on time with my soccer ball, shin pads and appropriate footwear.
- 3) I will inform one of the coaches/manager if I cannot attend a practice and provide significant notification if I cannot attend a game or tournament.
- 4) I am willing to receive praise and constructive criticism because I know my coaches only want me to succeed and that sometimes as coaches they have to point out my mistakes in order to help me.
- 5) I will remember that coaches and officials are there to help me. I will accept their decisions and show them respect.
- 6) I understand that EQUAL PLAYING TIME CANNOT BE GUARANTEED especially for u13 and above.
- 7) I know that although selected, I am still expected to attend weekly training sessions. Failing to do so may result in my losing a spot on the team.
- 8) I understand that proper field behavior is required at all times. Spitting on the field is NOT acceptable.
- 9) Good sportsmanship must be practiced at all times. Showboating in front of opposing coaches and parents of opposing teams is NOT acceptable.
- 10) I will acknowledge all good plays/performances – those of my team and of my opponents.
